Are you okay with me calling Anthony directly? I need to find out how he went about obtaining the Declarations. I'd also like to ask him about the three deponents, and I may need him to introduce me. Rich

Jim,

I called the cell number listed below for John Sarorfim and a male voice answered. When I tried to explain what I was calling about, he professed to know nothing about Wheelabrator and shut down the call.

Perhaps it's a wrong number; I was not able to confirm his identity in the brief time we spoke. I think I need to speak with Anthony Cogliano before I proceed further. Is the # you gave me his official # or cell?

Thank you,
Rich
